## Monthly Handicap – 21/12/23

Another good turnout for our December event run prior to an excellent Christmas Party in the Football club. With each runner's worst result dropped, a clear favourite is emerging in the Handicap League, with Darren taking an excellent win and now just needs one more good result to claim the title. But, it still needs to be done and there is a close tussle for the minor places which could go to any of a number of our members. All to run for over the final two events.

The time league is more clear-cut with Eddy and Sean looking to have that sewn up between them with Mike in a comfortable third place. However, any slip up from him could let in any of a number of challengers. These are the latest league tables.

## Cyclists Race - 17.12.2023

An 'enthusiastic' group of 25 Harriers were joined by a group of cyclists for our annual Christmas event round the Harroway. Remarkably, we were reminded, that this event has taken place for 50 years, and on each occasion we have welcomed our friends from the Basingstoke cycle clubs. The weather was kind, although conditions under foot were somewhat muddy. Eddy won the race for the second year in succession, by nearly a minute from the first cyclist, Matt Melville. The morning followed tradition as we then assembled for our Christmas meal at the Golf Club, which was excellent.

Thank you to the group who went out on the Friday to cut back the fallen trees, and to all the marshals too!
